Amazon Smile Program

October 27, 2017

Many of you or many of your chapters take part in the Amazon Smile program. Amazon will donate **one half of one percent** of purchases to the charity of your choice. All you must do is sign up and provide either the EIN number of the group or the name of the group. All your credit cards and other histories with Amazon remain intact and reachable through Amazon Smile. I will go through step by step how to do this and it is very easy.

Google Amazon Smile or [Smile.Amazon.com](https://www.amazon.com/smile)

Click on Sign In

Select a Charity This can be done either by EIN number or by typing in “Sons of the American Revolution.” The EIN number Amazon has on file is 53-0116355 which brings up Sons of the American Revolution founded in 1944, Louisville. I don’t know where the 1944 originated. If you use the “Sons of the American Revolution” you get long list of chapters. Select the one noted above.

Get into the habit of using Amazon Smile every time you order from Amazon. You will be prompted to go to Amazon Smile once you are signed in. Do so, and you will help the SAR. Mary Butts has advised me that we have received \$470 last year and about the same so far, this year. We have 33,000 members many are using Amazon for purchases. Amazon gave out \$62 million last year through Amazon Smile. If we each spent \$100 at Amazon.Smile.com, buying Christmas presents, we would net \$16,500 for the SAR. This is not chump change. I realize your wife is doing the shopping and she is probably in the DAR. So be proactive and take over some of the Christmas shopping and let’s get some of that DAR money that is going their way. We don’t need to be a second stringer in the Amazon.Smile.com program.
